## EXPERIENCE

### Uplers, Ahmedabad— Sr. JavaScript Developer

APR 2021 - PRESENT

In my recent appraisal, I was promoted to Sr. JavaScript developer. As a Senior developer, I am getting more chances to enhance my technical and management skills and I can take client calls to explain and understand complex functionality.

### Uplers, Ahmedabad— jQuery Developer

OCT 2017 - MAR 2021

I joined the Hubspot Team in Uplers (formerly known as Ensight) as a jQuery Developer with the idea of working in different technologies. As a jQuery Developer, I have to work with different jQuery and JavaScript plugins and create custom plugins as well to achieve the requirements.

In addition, I have to handle the logical task of HubSpot's backend and build systems based on PHP and Node to meet some complex requirements.

### eKarshInfotech, Ahmedabad— Web Developer

JUN 2016 - OCT 2017

After graduation, I joined a sole proprietorship firm named eKarshInfotech as web developer where I worked on WordPress themes and plugins from scratch, PHP Projects and HTML Designing using Bootstrap.

## EDUCATION

### Bachelor of Engineering (Computer Engineering)

APR 2012 - MAY 2016

I have completed graduation in Computer Engineering from Government Engineering College, Modasa (Gujarat technological University) in 2016 with 6.16 CGPA.
